									He surveyed one Contract on his own for 6 townships in 1905, with plat corrections only. At some time he surveyed a Contract in Umatilla County, OR. John married his wife, Nellie, in 1902. He was Thurston County Surveyor from 1902-1905, and then moved on to become City Engineer for Raymond, WA for the rest of his career. The town was founded and controlled by Leslie Raymond. John must have started right at the beginning of the City's new water system. Other tasks included filling in the sloughs that ran down the city streets. He died in Raymond in 1952.
